SUBJECT: Pinecastle Turret Rifle and Air to Ground Gunnery Range,
Pinecastle, Florida

TO : Headquarters, Army Air Forces Tactical Center, Orlando, Florida

ATTN : Colonel C. C. Berry

1. Inclosed herewith is a map indicating in blue the property boundary of the Pinecastle Turret Rifle and Air to Ground Gunnery Range and in red are two lines indicating a cypress swamp or slough which is approximately one half mile wide east and west and extends from the northern boundary to the southern boundary of the subject tract of land.

2. Mr. George Terry, President of the Magnolia Ranch, Inc., desires to range cattle on Sections 14, 15, 22 and 23 of the subject tract of land. Inasmuch as the subject sections are east of the cypress swamp, the possibility of any damage being done to cattle in this area is negligible, however, to absolve the Government from all liability, Mr. Terry is willing to execute a release wherein he will waive all damage to any property, cattle or equipment which may be placed upon these four sections.

3. Concurrence in the recommendation that Mr. Terry be permitted to graze cattle upon these four sections should be shown by indorsement hereon to this office.
